Salary Policy: Principal salaries are based on the number of Windham School District employees supervised as of September 1 and the number of full time equivalency of college teachers as of the Spring semester of 2007. A Principal employed during the 2002-2003 school year and received a reduction in salary on September 1, 2003 because of a loss of state funding shall be safeguarded at the current salary level for the 2007-2008 school year and shall hold the District harmless from actions taken or not taken by the District pursuant to 2007-2008 salary policy.

**Salary to be determined by the Windham School District Board of Directors

Positions: Counselors and Diagnosticians will be paid a salary commensurate with the teacher salary schedule plus \$2,500 annually or not less than \$47,964.*

All Principals, Instructional/Administrative Officers III's and above shall work 226 days. All other positions shall work 220 days.
