

**The Sunset Review of the Texas Department of Criminal Justice,
Board of Pardons and Paroles, Windham School District,
and Correctional Managed Health Care Committee**

The mission and performance of the Texas Department of Criminal Justice, Board of Pardons and Paroles, Windham School District, and Correctional Managed Health Care Committee are currently being reviewed by the Legislature as required under the Texas Sunset Act. The Act provides that the Sunset Commission, composed of legislators and public members, periodically evaluate a state agency to determine if the agency is still needed, and what improvements are needed to ensure that state funds are well spent. Based on the recommendations of the Sunset Commission, the Texas Legislature ultimately decides whether an agency continues to operate into the future.

The Sunset review involves three steps. First, Sunset Commission staff will evaluate the Texas Department of Criminal Justice, Board of Pardons and Paroles, Windham School District, and Correctional Managed Health Care Committee and, in April 2012, will issue a report recommending solutions to problems found. The Sunset Commission will then meet to hear public testimony on the agency and the recommendations of the Sunset staff. This meeting will likely be scheduled for June 2012. Please refer to the Sunset Commission's website or call the office for updated meeting schedule information. Based on public input and the Sunset staff report, the Sunset Commission will adopt recommendations for the full Legislature to consider when it convenes in January 2013.

Through the Sunset review, every Texan has the opportunity to suggest ways in which the mission and operations of the Texas Department of Criminal Justice, Board of Pardons and Paroles, Windham School District, and Correctional Managed Health Care Committee can be strengthened. However, the Sunset Commission and its staff do not have the authority to look at individual cases regarding an incarceration with the Texas Department of Criminal Justice, or the consideration of parole by the Board of Pardons and Paroles. Please do not send information regarding individual cases. If you would like to share your ideas about these entities, you may send an email to the address below, use the form on the Sunset Commission website, or contact Chloe Lieberknecht of the Sunset staff. Suggestions are preferred by February 1, 2012, so they can be fully considered by the Sunset staff.
